CARTON SEALING MACHINES 03 - 02

TSC-50DT*B*

- Automatically attaches tape to the top and bottom of cartons, eliminating the need for manual work.
- Uses adhesive tape for sealing, ensuring:
- A neat and aesthetically pleasing sealing effect.
- Strong and secure sealing.
- Performs exceptionally well when integrated into an automatic packaging line.
- Operation is simple and convenient.
- Needs air input.
- Made with high quality materials – made to last.
- Negligible maintenance required – keep clean.

MODEL	TSC-50DT*B*
Conveyor speed	20m/min
Carton size	L200-600 x W150-500 x H150-500mm
Power Supply	110/220V 50/60Hz 1Phase 420W
Power	420W
Adhesive Tape Width*	48mm(2) /60mm(3) /75mm(4)
Air Consumption	50NL/min
Air Compressing	0.6Mpa
Table Height	600 + 150mm
Machine Dimensions	L1770 x W850 x H1520mm
Machine weight	250Kg
