CARTON SEALING MACHINES 04 - 01

TSE-50T*B*

- Automatically adjusts the height and width of cartons.
- Eliminates the need for manual adjustments for cartons of different specifications.
- Highly recommended for users who frequently change carton specifications.
- Performs exceptionally well when integrated into an automatic packaging line.
- Operation is simple and convenient.
- Needs air input.
- Made with high quality materials – made to last.

MODEL	TSE-50T*B*
Conveyor speed	20m/min
Carton size	L150-∞ xW150-500 xH140-500mm
Power Supply	110/220V 50/60Hz 1Phase 420W
Power	240W
Adhesive Tape Width*	48mm(2) /60mm(3) /75mm(4)
Air Consumption	200NL/min
Air Compressing	0.6Mpa
Table Height	600 + 150mm
Machine Dimensions	L1170 x W900 x H1350mm
Machine weight	170Kg
